WARNING:

Never leave children unattended. Adult supervision is required at all times.
 Suitable for children within the recommended age range only. Not intended for children under 12 months.
 This structure is for indoor use only and should be placed on a soft, non-slip surface.
 Ensure the equipment is properly assembled and secure before each use. Regularly check for wear or damage.
 Do not allow children to climb above their height or use any part of the structure not intended for climbing.
 Maximum weight capacity: [insert limit here]. Do not exceed the specified weight limit.
 Keep the area around the play structure clear of obstacles and furniture to prevent injury from falls.
